Acknowledgments

The Strategic Indicators Project was sponsored by the City of Onkaparinga and assisted by the Local Government Research and Development Scheme.

The Project Manager, Debra Just (General Manager Strategy and Policy) and Project Officer, Lisa Florian would like to thank the 32 councils in South Australia for their participation in the project. Their time, ideas and feedback have all contributed to its success.

The assistance of a number of state agencies and authorities with identifying data sources is greatly appreciated, in particular the ABS, Primary Industries and Resources SA, and Planning SA.

Thanks are also due to the administration support—Kath Messner, Elaine Trager and Philippa Ball—for their exceptional work during the course of the Strategic Indicators Project.
